Earn your American undergraduate degree in Rome

Find boundless opportunities at Temple University Rome, where you can access **U.S.-accredited bachelor's degree programs marked by real-world experience.** Since 1966, **Temple University's Rome Campus** has been offering students a **U.S. education** in the heart of the Eternal City. The campus is **adjacent to the Spanish Steps** and close to the Pantheon, the Trevi fountain and other iconic monuments.

Benefit from:

- A U.S.-style campus with a distinctively international perspective
- Top-level faculty
- Small class sizes
- Preparation for a successful global career including internships and volunteer opportunities
- Weekly activities such as yoga nights, calcetto (football), basketball, cooking classes, pizza making, walking tours, visits to local markets, galleries and more
- On-campus services (academic, mental and physical wellness support and more)

Why Temple?

Founded in 1884, Temple University in Philadelphia (Main Campus) is a **leading research institution** that prioritizes **accessibility and innovation** in higher education.

Come to Temple and **study at a university that is:**

- Included in both **Top 50 Public Schools** and **Top 100 Best Value Schools** (U.S. News & Reports 2026)
- Truly global with **campus locations in Tokyo and Kyoto as well as Rome**
